Apex is a Bi-Block partion system for elegant building solutions. Apex offers fine panel joint details, slim window frames and vertical and horizontal panels all without visible fixings to ensure smooth flush elegance. The unique Apton 'locked mullion' system eliminates panel creep and maintains the alignment of panels.

British Standards

- Sound Measurement BS EN ISO 140
- Sound Rating BS EN ISO 717
- Structural Stability BS5234; BS6180; BS6399
